Agenda	1. To discuss the implementation of chi-squared tests 2. To share progress on dashboard and updated visualisations

Sl. No.	Notes/Task	Actor	Follow-up Action
1.	The focus of this meeting was to discuss whether we carried out the chi-squared tests on the pre- and post-confidence correctly. Furthermore, we mentioned the dashboard and visualisation analysis that we had updated per previous discussions. Those had been uploaded on e-learn for supervisor to see.	Manisha and Mohamed
