0203: Supervisor Meeting

Date/Time : 2 March 2018, 2:00PM – 3:00PM

Attendees : Shubhangi, Arushi, Tanushree

Sr. No.	Notes	Actors	Follow up Action
1	Discussion on EDA Slide Deck: - Check time graphs without promo code to see if there is any difference - Promotion budgets increased in the 2nd half of the year. - Stats checking weekday and weekend bookings with redemption, change it to attending.	All	Add new analysis
2	Further areas to look at : How many cancellations get re-booked for some other restaurant for the same day	All	
3	Keep in mind for matrics : - Cost = Average Cost per person (average price) * 10% comission * number of diners - How long have vendors been on platform (use made on) - For customers, look into attended number of bookings. If a customer is a frequent no-show, then it's not good	All
