

Where learning becomes fun!

IS480 Supervisor Meeting 1

12 Jan 2012

Agenda

- Updates from IS480 Acceptance Presentation
- Meeting with Sponsor on 2 Jan 2012
- Delayed for Iteration 5

Updates since IS480 Acceptance Presentation

- Updated Wiki Pages
- Detailed functional description

Meeting with Sponsor on 2 Jan 2012

- Provides an updated admin / user mobile application wireframe
- iPad Devices for Testing
 - Prof Menkhoff will secure 6 x iPad from IITS for both UAT session.
 - He will also speak to IITS to loan an iPad for the duration of our FYP. Else, he will purchase one for us.

Meeting with Sponsor on 2 Jan 2012

- UAT 1 – tentative booked on 16 Feb 2012 with Prof Menkhoff’s class, but will most likely to be cancelled and conduct with invited users.
- UAT 2 – confirmed on 29 March 2012, trail details will be provided by another group of students
- Will provide link up with National Heritage Board
- Suggest to approach SMU IIE
 - Understand from George deadline is 30 Apr 2012, will focus on application development first instead.

Delayed for Iteration 5

- Due to some integration issues for phoneGap and jQueryMobile
 - Back log from Iteration 3 and 4
 - Intention is to delay Iteration 5 for a week and resolve iteration 3 and 4.
