### Internal meeting agenda:

To be discussed / brought up	Remarks / Comments
Go through midterm slides	

### Discussed during meeting:

Replace Banner default image by our photoshoot pictures

Going through slides:

- Included more information of stakeholder (Big Max)
- Remain average number of marriages like current one
- Value to client: Package as Graph Paper to use, first live management tool in Graph Paper
- Marry.SG works as guide + tool
- One of the competitor: Singapore Brides, but their Guest Manager is not embedded in the application itself. They collaborated with another application
- Add slide about Perfect Wedding (brief one)
- While introducing Graph Paper: Freeze one screen to show demonstration of Graph Paper
- Icons will be created for each card
- Check if Sharing Profile Card is working
- Ask Big Max about Sharing Canvas (currently unable to share canvas)
- Wedding Text -> Text editor. More controller than Text card from Graph Paper
- Add how we changed based on user testing to mitigate the high learning curve
- Show the differences we made through revamp and follow up
  - Revamp: Internal Testing
  - Follow up: User Testing
- Add metrics to state number of hours spent per person
