

### User Acceptance Testing

<b>Name</b>	
<b>SMU Email</b>	
<b>Role</b>	SMUSA President

## Instructions

For each of the tests below, follow the steps as provided in the “Test Procedure” column. All values that need to be entered have been provided in the “Test Input(s)” column. Observe the output and note it down in the “Actual Results” column. If the output matches that of the “Expected Result(s)” column, the test passes. Likewise, if the output does not match, the test fails. For unexpected situations that occur, please note it down in the “Actual Result(s)” column. Kindly take note of the time it takes to complete each try for each test case as well as the number of times an error is encountered in the “Statistics” column.

If you encounter any issues, feel free to seek the assistance of any of our team members.
