AGENDA	
1.	<b><u>Schedule Timeline</u></b> Can reschedule according the need. Not critical if the team finished the modules supposed to finish by mid term.
2.	<b><u>Suggestions</u></b> <ul style="list-style-type: none"><li>- When trainee passed the quiz by doing 1 or 2 mistakes, he cannot check the content in modules in a short time without reviewing the whole modules. Show the slides for each wrong question.</li><li>- Ask BP whether they want to define with question is liked to which slide.</li><li>- After taking modules for the first time, trainees should be able to view the slides without any loading time and all the pop-quizzes.</li><li>- Category first and the module</li><li>- Ask BP how many max attempts trainees can take the quiz. What will happen when trainees already attempted the max attempts?</li><li>- Show scores instead of pass &amp; fail status in the completed tab of trainee view module page.</li><li>- In pending tab, no attempt and fail in status.</li><li>- Add no of times they take the quiz</li><li>- Rename the deadline</li><li>- Emphasize the details of the function in the mid-term presentation. Reviewers will not know.</li><li>- Trainees will able re-view previous scores</li><li>- Change checkpoint name to pop-quiz.</li><li>- Differentiation between slides with check point and without check point</li></ul>
