Professor Alan Megargel

- Notes:**
1. Team's proposal to remove scope - Cluster Analysis
 - a. We have decided to remove it after a long discussion, because the team feels that this function may not value-add the application
 - b. In replacement of this function, we will include **Live Support Analysis** through a chart that displays live support vs total requests
 - c. This gives the professor an overview of how the
 2. Updates of development progress
 - a. Efforts are shifted to focus on learning component, specifically multiple learning cube and questionnaire
 3. Proof of Deployment #2
 - a. 45 minutes for each team
 - b. Profile: About half are fresh grads with no banking experience, other half have banking experience. no technology background, mostly operations side of the bank
 4. Individual scoring API - Sponsor Work in Progress
 5. Creation of bank accounts - Sponsor Work in Progress

The meeting was adjourned at 7.30pm. These minutes will be circulated and adopted if there are no amendments reported in the next three days.
