

Team One Piece Agenda

Date : 29/08/2014
Location : SOE GSR 2-9
Subject : Iteration 6
Attendee : Ila, Chenguang, Siddhant, Aniket, Phyu , Ila
Absentee : -

Agenda

Update from developers

- Timer feature haven't implemented yet.
- Create/Edit (New Requirement) is done.
- Dynamic trainee homepage is done (Require clarification with client).
- Backend for super admin is in progress (exploring stage).

Challenge

- Deployment issue
Decision: will change the way slides are stored in the database

Admin

Timeline is adjusted.

Bug score is accumulated.

Start to prepare for mid-term by coming week.

To put UI design in Wiki is still in progress
