Team One Piece Agenda

Date   :   22/10/2014

Location   :   SIS Level 4

Subject   :   Strategize and Planning for Final

Attendee   :   Ila, Siddhant, Aniket, Phyu , Ila

Absentee   :   Chenguang

Realization
- Left 36 days to final (*4 weeks*). Every member needs to be realized that and FYP should still be priority regardless of other commitment. Very limited time left.
- Much lesser time than we have preparation for midterm.

Project
- Prioritized Schedule Publish/Recall then audio/video
- Timer Backend is done.

Admin
- By Friday : Logo and Team Description
- By Sunday : 1 min video pitch
- Request internet access to BP

Progress
- Current Progress: Not much! It is not good. Will need to have hard deadlines from now on.
- **Deadlines***:
  a) Next BP Meeting Demo Target
  b) Demo to supervisor
  c) UAT (SMU)
  d) UAT (BP)
  e) Deployment
- Statistic Module needs to integrate before final integration.
- Concern & Challenge for statistic : Integrate different java scripts
- Next supervisor (1 Nov – Week 11 Saturday): Statistic module should be done completely.

Development
- MiMi & Aniket work together and integrate
- Ila will finish text editor tool without pretty UI but user friendly features latest by Sunday.

Open source
- Published version (codes only) – Up and running meeting by Tuesday
- Deployed version node
