Update of functionalities completed

As part of our weekly meetings, here are the updates on the functionalities:

- Stella is switching the UI for administrators from html to jade. Jade is rendered in html when viewed from the Chrome console
- Jade is only used for the administrator's UI. The remaining sites and portals will be in html.

The meeting was adjourned at 1.30pm. These minutes will be circulated and adopted if there are no amendments reported in the next 3 days.
