Minutes Recorded By: Brindha Menon

Agenda

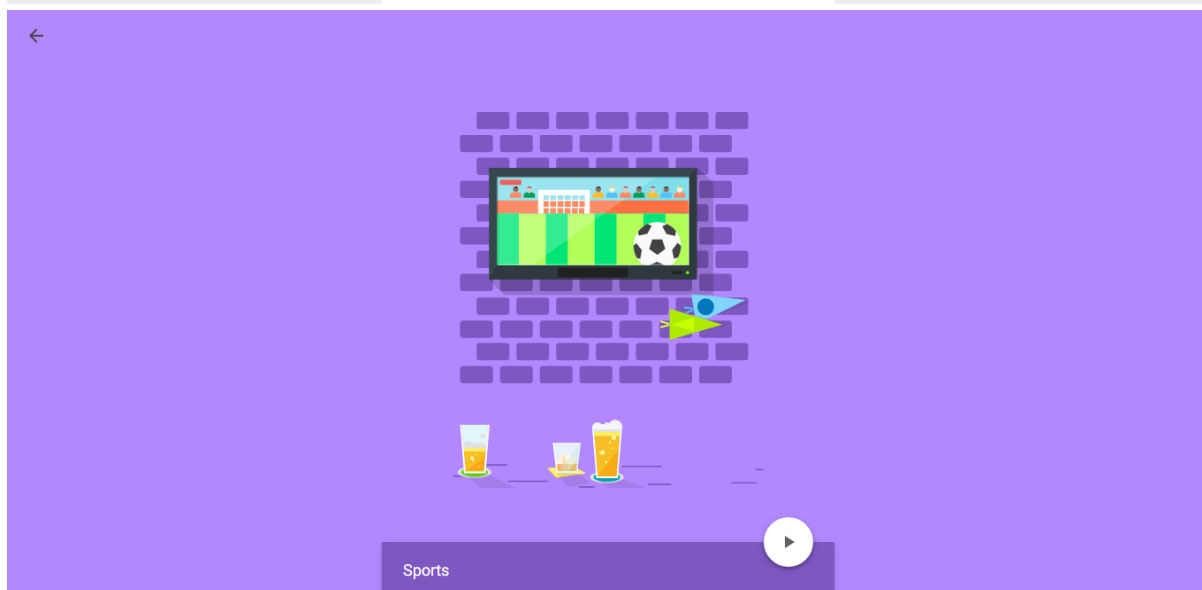

Task	Remarks
1. Brainstorm for application logo and team logo	
2. Developers to show us what they have and talk about problems faced	
3. All to have Meteor and GitBash	
4. Go through Project Timeline	
5. Go through Wiki Page skeleton	
6. Go through Interview Questions for Survey	

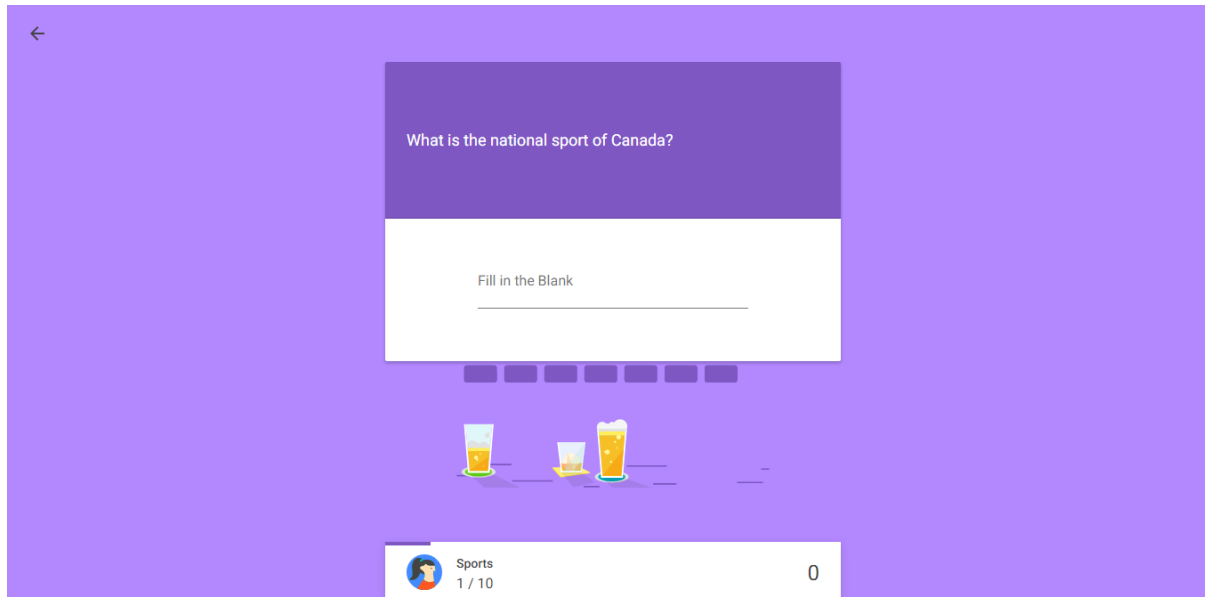

Discussed

1. For the landing page card, let the 2 side bars (menu tab, and add a note tab) appear in the main page for the web view. For the mobile/ tablet view, let them be drawer tabs.
