Demo

- Timer count down no need in preview!
- Elements transaction in each slide added in pptx is gone in impressify editor. But it's ok.
- Don't spend too much time in editing pictures!
- Schedule publish, recall timing - to add specific timing, if not much problem, implement it.
- Analytics module
 - o Filter by modules
 - o Different random colors for each generation, it's ok.
 - o In each module, what's the ratio of pass & fail – simple pie charts

Posters

- Compulsive learning is not appropriate.
- "To optimize learning the learning experience"
- "Team One Piece has developed"
- "enhanced enforcement features"
- Posters and Videos, put in wiki and inform BP via email
- Upload in youtube and share link

UAT

- 11 Nov is inconvenient for BP
- 14 Nov (Friday) morning
- 12 Nov (Wednesday) 12-3pm
- Submit the final project by end Nov

- Send email regarding the functionalities that we are testing in UAT.

Virtual Environment

- Virtual to virtual should not be that bad.
- Do we need to email Peter to remind regarding the AWS?
