

### **Foreword**

**Before you start on the study, we would like you to know that:**

1. This test is not a test of your abilities to use the Website. As such, there can be no “wrong” steps that you are making. You are free to discontinue the testing at any point.
  2. If you have any difficulties during the testing, please feel free to ask the test facilitator for assistance.
- 

### **Tasks List**

You are a student and you stumble upon RoboStudo.blog as a new user.

**Task 1: Explore the portal and discover the information related to the questions below**

Please fill in the following:

|  |  |
|--|--|
| <b>Who is the Website targeted at?</b>                         |  |
| <b>What kind of services does the website provides?</b>        |  |
| <b>Are there any abnormalities that is worth pointing out?</b> |  |

---

You grew interested after exploring the website and decided to register and book a slot to learn python.
