Final Year Project – Marry.SG (Marreo)

PRIVATE & CONFIDENTIAL

Task 1: Marry.SG external home page

Task 1.1: How do you find the overall look of the page? Please tick the phrases that describe your feelings about the page or express yourself in the blank provided.

Overview of the website

- Appealing Unappealing
- Simple & Neat Messy
- Wedding Application Does not look a wedding application
- Informative enough Too wordy
- Great design Acceptable design

Colour Scheme

- Colours are complimentary Colours are all over the place and do not complement each other
- Appealing Unappealing

Other comment(s):

Task 1.2: Describe something (at least one thing) that we can improve on for this page?

Tasks for the Marry.SG application functions

Task 2: Event Countdown

Try to change the theme of the event countdown card.

Could you do it? Yes / No (Circle one)

The current event countdown card has “Months”, “Days”, “Hours”, “Minutes”, and “Seconds”. In your opinion, should there be...

1. An additional “Years” before “Months”? Yes / No (Circle one)
2. The removal of “Months” so it starts with “Days”? Yes / No (Circle one)

Final Year Project – Marry.SG (Marreo)

PRIVATE & CONFIDENTIAL

Task 3: THINGS TO DO

Task 3.1: Add a new item that needs to be done.

Details:

1. Buy wedding bands
2. This needs to be done 7 months before the wedding

Does the new item appear in the correct tab? Yes / No (Circle one)

The item added goes into the tab titled _____

Task 3.2: Edit the item you previously created.

Details:

1. Buy wedding bands from 'Love & Co'
 2. This needs to be done 2 months before the wedding
- Note: The rings need to have name engravings on the inside

Are you able to update the item? Yes / No (Circle one)

Task 3.3: Delete the item you previously created.

Are you able to delete the item? Yes / No (Circle one)

Task 3.4: Is the current name of the card misleading? Yes / No (Circle one)

If yes, what should it be named instead?

Task 3.5: From your understanding, what do the various tabs mean? i.e. What does "12+ months before" mean?

Task 3.6: Describe something (at least one thing) that we can improve on for this function?

PRIVATE & CONFIDENTIAL

Questionnaire

1. Is the layout pleasing to look at and work with? Yes / No (Circle one)

2. What do you like about the user interface?

3. What do you dislike about the user interface?

4. How can the layout of the canvas be improved?
(ie. size of the cards [individual functions], spacing between the cards)

5. Would you suggest a variation in how the cards are arranged? Yes / No (Circle one)

If yes, how would you arrange and why?

6. How can the colours used / font styles be improved?
(ie. colour combination suggestions, do they look visually appeal?)

7. On a scale from 1 to 10, what do you think of Marry.sg as an application for wedding planning? (1 being extremely bad and useless that couples will not use it and 10 being extremely good and useful that couples will use it to plan their weddings from start to finish)
