### Notes, Decisions and Issues

#### Topic/Summary of Discussions

##### Matrices Validation

- Decide on mode for matrices validation (pen and paper, timing)
- 20 people target
- Provide appropriate claims

##### Application Demo

- Make disabled button more obvious (grey out instead)
- Handover documentation – a section for them to adjust weightage of score permanently
- Potential use for application — public
- Add “car-lite score” at legend

##### Analysis of actual scores

- Interesting findings from the data
- Top 10 and bottom 10, see what kind of characteristics

##### Final Presentation

- Mainly to show progress after mid-terms for final presentation
